Brooklyn Legal Services seeks two Deputy Directors for its Housing Law Unit.

One Deputy will be located at our Bedford-Stuyvesant office and the other will join our Tenants’ Rights Coalition in our Brownsville office. Both positions will be expected to work collaboratively with and provide leadership for LSNYC’s city-wide housing practice.

Brooklyn Legal Services, part of Legal Services NYC, provides high-quality, innovative representation to address the pressing legal needs of Brooklyn’s diverse low-income population. BLS focuses on the problems that have the greatest impact on our clients – preserving affordable and decent housing, maintaining income support, redressing abusive lending and consumer practices, promoting family stability and mitigating the effects of domestic violence, and advocating for the disabled.

The Housing Law Unit preserves affordable housing for Brooklyn's low-income communities through representation of low-income tenants in eviction proceedings, collaboration with community based organizations, and affirmative litigation to challenge abusive and discriminatory behaviors that displace low-income families and eliminate affordable housing. Housing Unit attorneys use creative strategies and collaborations with community organizations and tenant groups to fight displacement and to pursue justice for Brooklyn tenants and communities.

The Deputy Directors will work closely with the Housing Unit Director, the Tenants’ Rights Coalition Director and Deputy Directors to provide supervision to the Unit's attorneys and paralegals, strengthen relationships with community partners, to address systemic housing issues that perpetuate poverty, and to handle administrative and grant responsibilities. The Deputies will be responsible for helping to develop and implement a strategic vision for the Unit’s work and supervising attorneys on a range of litigation including individual and group representation in Housing Court, administrative proceedings, and affirmative litigation in State and Federal Court. Other duties include intake review, community education and outreach, strengthening partnerships with community groups and elected officials, and policy advocacy.

In addition to the qualifications below, the ideal candidate will be a highly motivated individual with a keen interest in supervising a practice in a community-based law office, and a demonstrated ability to jump-start litigation or community-based campaigns and to collaborate with other staff to see such initiatives through to fruition.
