Brooklyn Legal Services (â€œBLSâ€™) seeks two Supervising Attorneys for its Housing Law Unit. The Supervising Attorneys will be expected to work collaboratively with and provide leadership for LSNYCâ€™s city-wide housing practice.

Our Organization:

Brooklyn Legal Services, part of Legal Services NYC, provides high-quality, innovative representation to address the pressing legal needs of Brooklynâ€™s diverse low-income population. Legal Services NYC (â€œLSNYCâ€™) fights poverty and seeks justice for low-income New Yorkers. LSNYC is the largest civil legal services provider in the country; our staff of almost 600 people in neighborhood-based offices and outreach sites across all five boroughs helps more than 110,000 New Yorkers annually. BLS focuses on the problems that have the greatest impact on our clients â€“ preserving affordable and decent housing, maintaining income support, redressing abusive lending and consumer practices, promoting family stability and mitigating the effects of domestic violence, and advocating for the disabled.

LSNYC prides itself on its Diversity, Equity, Inclusion, and Belonging (DEIB) efforts. As a social justice organization, we are committed to fighting for a workplace that is as diverse, equitable, and inclusive as possible for everyone. Our DEIB committee and numerous affinity groups work to foster collegial relationships among staff at all levels and allow staff to explore and advocate for racial justice and anti-oppression growth within our organization and through our legal work. All employees are expected to learn about, seek to understand, and work to realize our DEIB goals. Every supervisor is expected to actively engage in learning and become increasingly skilled in supervision that supports diversity, equity, and inclusion. The Supervising Attorneyâ€™s duties will include actively working to advance LSNYCâ€™s Diversity, Equity, Inclusion, and Belonging goals.

LSNYC provides numerous opportunities for growth and professional development. Our Learning Center provides opportunities to earn free CLE credits and gain experience as a trainer. In recent years we hired The Management Center to teach management skills to our directors and supervisors, and we encourage and support supervisors and directors to attend local and national training series for supervision skills and management.

The Housing Law Unit preserves affordable housing for Brooklynâ€™s low-income communities through the representation of low-income tenants in eviction proceedings, collaboration with community-based organizations, and affirmative litigation to challenge abusive and discriminatory behaviors that displace low-income families and eliminate affordable housing. The Unit is currently implementing Right to Counsel (RTC) and continuing to expand anti-displacement advocacy, focused on supporting Brooklyn communities facing rapid gentrification. Our Unit has partnered closely with the Human Resources Administration (â€œHRAâ€) to launch and build a unit to support this ever-expanding right to counsel. The core of the UAC teamâ€™s work is to provide zealous legal representation to Brooklyn tenants facing eviction in Housing Court and administrative proceedings through aggressive litigation and creative advocacy. In addition, we preserve housing subsidies and public benefits for our clients through both individual representation and cutting-edge litigation. We also provide advice and community education to tenants throughout Brooklyn at legal clinics and through Know Your Rights trainings.

The Supervising Attorneys will work closely with the Housing Unit Director and Deputy Directors to provide supervision to the Unitâ€™s attorneys and paralegals, strengthen relationships with community partners, address systemic housing issues that perpetuate poverty, and handle administrative and grant responsibilities. The Supervising Attorney will be responsible for helping to develop and implement a strategic vision for and supervision of the Unitâ€™s work on a range of litigation including individual and group representation in Housing Court, administrative proceedings, and affirmative litigation in State and Federal Court. Other duties include intake review, community education and outreach, strengthening partnerships with community groups and elected officials, and policy advocacy. The Supervising Attorneys will lead a small team of attorneys, maintain a partial caseload of affirmative and defensive cases, and will work closely with the Director of the Housing Unit overseeing Right to Counsel intake as follows.

In addition to the qualifications below, the ideal candidate will be a highly motivated individual with a keen interest in supervising a practice in a community-based law office, and a demonstrated ability to jump-start litigation or community-based campaigns and to collaborate with other staff to see such initiatives through to fruition.
