

HONORING LUCY FATO AND ERIC DINALLO
Cipriani 42nd Street

Thank you to everyone who supported Legal Services NYC's 2022 Jazz for Justice Benefit honoring Lucy Fato and Eric Dinallo. After holding this event virtually for two years in a row, it was especially exciting this year to get together and celebrate the critical work you help us do with low-income New Yorkers.

Over the last couple of years, we have done a lot of important work in areas of benefits (greatly assisted by our pro bono partners) and education, as we highlighted in our video presentations below.
